States of Fragility Reports - OECD States of Fragility 2018 exposes the critical challenge posed by fragility in achieving the aspirations of the 2030 Agenda, sustainable development and peace. It highlights twelve key aspects of fragility, defying common assumptions and simplistic categorisation. The Double Burden of Climate Exposure and State Fragility Ashley Moran is Director of the State Fragility Initiative at the Robert Strauss Center for International Security and Law at the University of Texas at Austin. Clionadh Raleigh is the Executive Director of The Armed Conflict Location & Event Data Project (ACLED). States of Fragility Report - OECD The States of Fragility report provides cutting-edge evidence and analysis to inform and challenge donor policies for working in the most difficult places: fragile situations. It helps promote better understanding of the drivers and fresh ideas about solutions to fragility.

The determinants of state fragility | VOX, CEPR Policy Portal The causes and implications of state fragility “also known as state failure” are not yet well understood. This column explores the determinants of state fragility in sub-Saharan Africa and finds that institutions “as measured by civil liberties and the number of revolutions” are the main drivers. Rethinking how to reduce state fragility - Brookings In January, the Global Economy and Development program at the Brookings Institution and World Vision convened two dozen experts to explore how to approach state fragility. U.S. Leadership and the Challenge of “State Fragility ... The new administration, a coming change in leadership at the United Nations, and an emerging global consensus about the fragility challenge make this an opportune moment to recalibrate our approach. The United States cannot and should not try to “fix” every fragile state. Nor can we ignore this challenge; all fragility has the potential to affect U.S. interests to some extent, especially.
